Before registering for your course(s), please note that you **must be available to attend the live session date(s)** listed above in order to complete the course and receive credit. Please check your calendar and local time zone before registering, as **live attendance is required** to complete the course and receive appropriate credit for completion. *Refunds are subject to a 6% transaction fee.*

Please read below for more information about each course.

All courses except Book Club will be accredited for continuing education credits. WPATH will approve the Book Club episodes for the Listening Hours, Ongoing CE, or Elective Hours requirements, as part of our certification program. Each episode will be approved for 2 hours. WPATH is finalizing the accreditation for these courses and accreditation information will be added to the website for each course, once finalized.

Each live session schedule is listed in **Eastern Time (ET)**, please check your local time & date to ensure you are able to attend the live portion of the course(s) you select.

Course Descriptions

WPATH GEI Book Club - Indian Subcontinent Series

Register Now

WPATH's **virtual Book Club** premiered in 2021! This series provides attendees with an invaluable and unique opportunity to interact with leading authors in transgender health.

We are pleased to announce WPATH'S Subcontinent of India Series for our next three book club meetings on **March 18, 2022, April 8, 2022, and TBD, 11:00 am EDT - 12:30 pm EDT**, brought to us by the Series Coordinator, Dr. Sanjay Sharma. WPATH will approve these episodes for the Listening Hours, Ongoing CE, or Elective Hours requirements, as part of our certification program. Each episode will be approved for 2 hours.

NEW - WPATH GEI Advanced Aging Workshop

More information to come soon, along with registration for this course.

NEW - WPATH GEI Online Sexuality Workshop

Register Now

What to Expect: The WPATH GEI Online Sexuality Workshop will be led by Dr. Gail Knudson (University of British Columbia). This workshop will include: author highlights from *Trans Sex: Clinical Approaches to Trans Sexualities and Erotic Embodiments* (Routledge, 2021) featuring content that explores supporting trans erotic embodiments from a pleasure-centered praxis; developmental considerations around sexual health and pleasure - working with TGD children, adolescents, adults, and older adults - and specific generational concerns; ethical principles involved in Sexual Health Service delivery - how the PLISSIT MODEL and ISSWSH Process of Care are applicable to TGD clients in general practice; SOC 8 Sexual Health Chapter Recommendations (assuming release of SOC8 prior to the workshop); possible effects of the hormone therapy and other medications on sexual pleasure; overview of international associations' position statements and declarations supporting sexuality and sexual health of TGD persons, as well as case studies.

Live Participation: Attendees must be available to attend the live session "in-person" on **Friday, July 29, 2022 from 11:00am - 3:00pm EDT**, and complete all required pre-recorded didactic sessions, in order to complete the WPATH GEI Online Sexuality Workshop.

Faculty: *Gail Knudson, MD, FRCP, MEd; Lucie Fielding, PhD; Maurice Garcia, MD; Ame Lopez, MD; Georgios Pagkalos, MD; Elna Rudolph, MBChB; Katherine Spencer, PhD*

NEW - WPATH GEI Online Neurodiversity Workshop

Register Now

What to Expect: The WPATH GEI Online Neurodiversity Workshop will be led by Dr. John Strang (Children's National Hospital). Please stay tuned for more information about the topic areas and faculty that will be involved in this workshop at www.wpath.org/gei/upcoming-gei-courses.

Live Participation: Attendees must be available to attend the live session "in-person" via Zoom on **Friday, July 22, 2022 from 8:00am - 12:00pm EDT**, and complete all required pre-recorded didactic sessions, in order to complete the WPATH GEI Online Neurodiversity Workshop.

Faculty: *John Strang, PsyD; MD PhD; Lauren Kenworthy, PhD; Wenn Lawson, PhD; Victor Namur, MS; Anna van der Miesen; Harriette Wimms, PhD*
