Please reach out to one of the mentors above to arrange mentoring hours and fees (median rate of \$150/hour). Mentorship fees should be discussed independently with your chosen mentor, as fees vary depending on geographical location, specialty, and experience. Mentoring can happen in-person or virtually depending on your arrangement. Your mentor will track your hours and will work with you on the WPATH core competencies through a case-based mentoring process.

Please Note – Group Mentoring for Mental Health & Medical Professionals

Medical Professionals Mentoring – We are finalizing the group mentor process where medical professionals will discuss cases and links to our competencies to meet the mentoring requirement for certification for professionals in the Medical field.

Mental Health Professionals Mentoring – We will be offering group mentoring opportunities in the near future.

Please note that this is mentoring for the WPATH GEI Certification Program only, it is not supervision or acknowledgement of provider competency or licensure.
