## ***Becoming a Visible Man, Second Edition***

**An updated edition of a classic book from transgender-rights pioneer, WPATH Member and Past-President, Dr. Jamison Green**

*At least two generations of transgender, nonbinary, and gender non-conforming people have emerged since *Becoming a Visible Man* was first published in 2004, but the book remains a beloved resource for trans people and their allies.*

*Emphasizing the lives of trans men—who are often overlooked—Jamison Green elucidates the experience of masculinity in a way that is self-assured and inclusive of feminist values. Green’s inspirational wisdom has informed and empowered thousands of readers. There is still no other book like *Becoming a Visible Man* in the transgender cannon.*
