**Nominations Must Be Received by May 15, 2022.**

#### **Award Descriptions:**

##### **WPATH Lifetime Distinguished Scientific Achievement Award**

Description: This is an award for a senior researcher in our field who has made an important contribution to advancing the knowledge and quality of care in transgender health. This award is given to a WPATH member and considers their entire body of research over the course of their career.

##### **WPATH Lifetime Distinguished Service Award**

Description: This is an award to honor a senior WPATH member who has made a significant contribution to the society and transgender health over the course of their career.

##### **WPATH Distinguished Education and Advocacy Award**

Description: This is an award to honor an individual or group who has/have contributed significantly to the promotion of transgender health and rights through education and/or advocacy work. This may be presented as two separate awards, and the awardees do not need to be WPATH members.

##### **WPATH Outstanding Student Contribution Award**

Description: This award honors a graduate student or postdoctoral scholar who has made an outstanding contribution to the field of transgender health through scholarship, research, curriculum development, policy, or has demonstrated exemplary service to the WPATH.

Nominees: Please feel free to nominate graduate student(s) currently enrolled in a graduate program, or recently graduated student(s) who have made contributions in transgender-related program areas such as medicine, law, the social sciences, and other academic and applied disciplines, the practice of which contribute to the well-being of transgender, and gender-nonconforming individuals, and to the field of transgender health.

**Nominations Must Include\*:**

- completed [nomination form](#)
- short bio of the nominee (100 - 200 words)
- rationale for their nomination (one or two sentences)
- nominee's contact information (email address and/or phone number)
